

Erik Nilsen

Full Stack Developer, UX Designer, Data Analyst

✉ nameless20001027@gmail.com 📍 Grensen 9 Olso , 0159

Personal Profile

I am a Full Stack Developer with over 4+ years of experience creating dynamic, high-performance web applications. I specialize in both front-end (React, Vue, HTML, CSS, JavaScript) and back-end (Node.js, PHP, MySQL, MongoDB) development. I'm passionate about building clean, scalable solutions that enhance user experience and meet business goals efficiently.

Education

Web Development

Oct 2021 - Apr 2023

Kristiania University College

- Acquired comprehensive knowledge in software development, algorithms, and data structures through a Master's program in Computer Application.
- Developed strong analytical and problem-solving skills, enhancing understanding of industry practices and trends.
